Faculty of Commerce
(UG & PG)

• **INTRODUCTION:**

The Faculty of under Graduate in Commerce was established in June 1972 and Post Graduate in Commerce was established in June 2014. The faculty has three departments' heads i.e. Accounts and Statistics, Business Economics and Business and Mercantile Law. Being a College in the backward area with lack of natural and industrial resources of Marathwada region, our faculty has played an important role in developing higher studies and research in Commerce (UG and PG Level) in this region. The faculty of Commerce has programmes at graduate, post graduate and planning to start a programme at research levels from next academic year i.e. 2023-2024. The faculty of Commerce offers three years Bachelor degree in Commerce, two years Master degree in Commerce (M.Com.). The department also offers various certificate and remedial courses for the benefit of its learners. The Commerce Faculty has tried to contribute a lot in inculcating the knowledge of commercial education in the surrounding area. The Faculty could give academic leadership in some of the new areas of Commerce studies. Our Faculty is trying to create Economical and Commercial sense through organizing various Programmers based on Commerce study. The Faculty of Commerce giving its efforts with keeping in view the changing Global and National Level Social, Economic and Trading norms, Business Communication patterns, different social roles of Business and Industries in our society and fast changing Economic, Corporate and Social values in our time, performing various activities.

While execution of syllabus, sufficient care has been taken to cater to above needs. It has been kept flexible enough to incorporate various requirements of the students in the context of contemporary society. Special attention is also given to the regional and comprehensive studies of Commerce and Management.

• About the Faculty

Yeshwantrao Chavan College was established in June 1972. The Faculty of Under Graduate Studies in Commerce was established at the same time and started catering education to first year students of Commerce through various Compulsory Subjects & Optional Subjects.

As per the local society needs of Ambajogai and neighboring area. The same need made the institution to start P.G. in Commerce during June 2014.

• Vision:

SWOT Analysis

• STRENGTH

- 1) Well qualified teaching staff.
- 2) Use of ICT and Multimedia resources for effective teaching learning process.
- 3) One Faculty Members is Research Guide
- 4) IT Computer Lab for Students.
- 5) All Faculty as Editor & Member of Research Activities.

• WEAKNESS :

- 1) Availability of full time teaching staff is very less due to government recruitment policy.
- 2) After corona epidemic, students are looking for jobs in the city to meet their family needs. This is affecting the admission.
- 3) The dropout ratio of admitted girls is increasing as the parents of the girls are married after the corona epidemic.

• OPPORTUNITIES:

- 1) Growing Influence of Business communication & Language in Social and Educational spheres
- 2) There can be a lot of business opportunities in the field of manufacturing and services industries.
- 3) One can get great opportunities in various media, print media
- 4) There is a great business opportunity after getting the knowledge of commerce and management.
- 5) Commerce language also plays an important role in MPSC, UPSC and other competitive exams. While Commerce can be chosen as a optional paper of 300 marks in Central Public Service Commission Main Examination, Commerce is also important in Maharashtra Public Service Commission Preliminary and Main Examination. Mains exam consists of 100 marks paper based on business letter writing, economy, world trade, international trade relations etc. Apart from this, Commerce subject can be decisive in other competitive exams as well.

• CHALLENGES

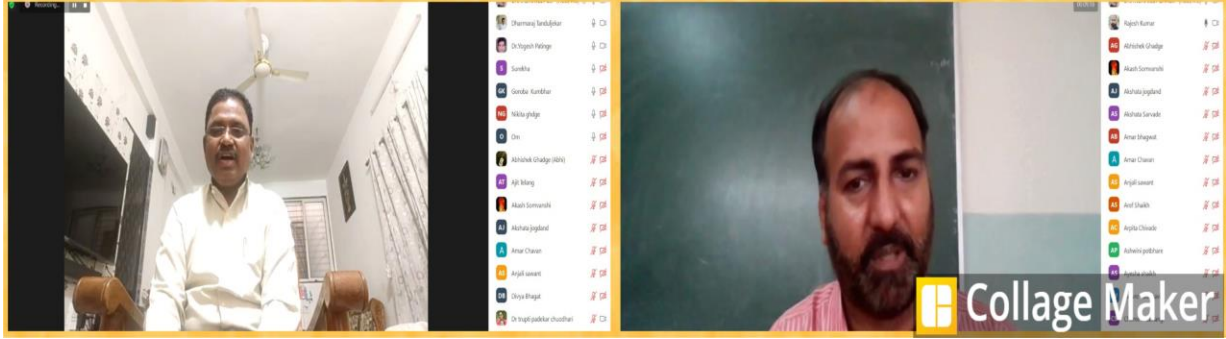

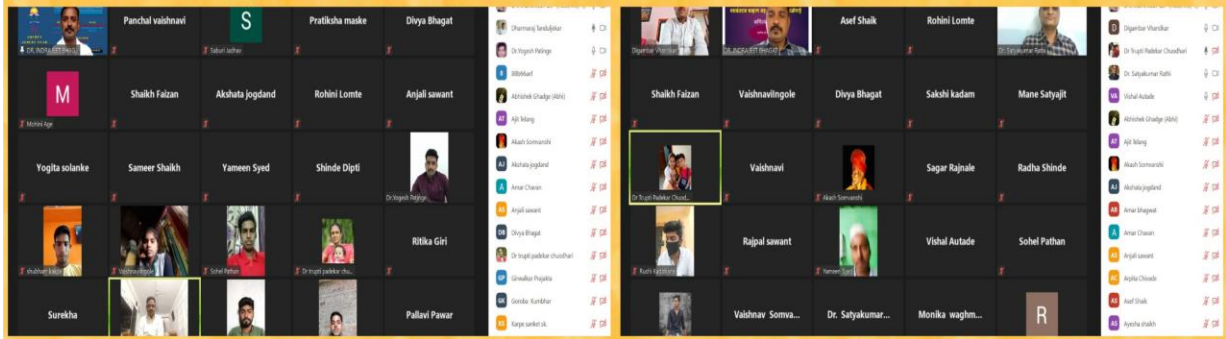

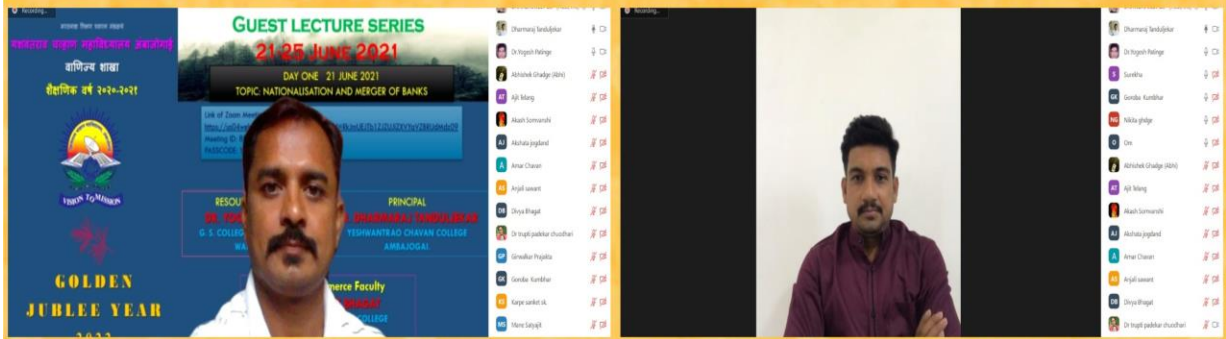

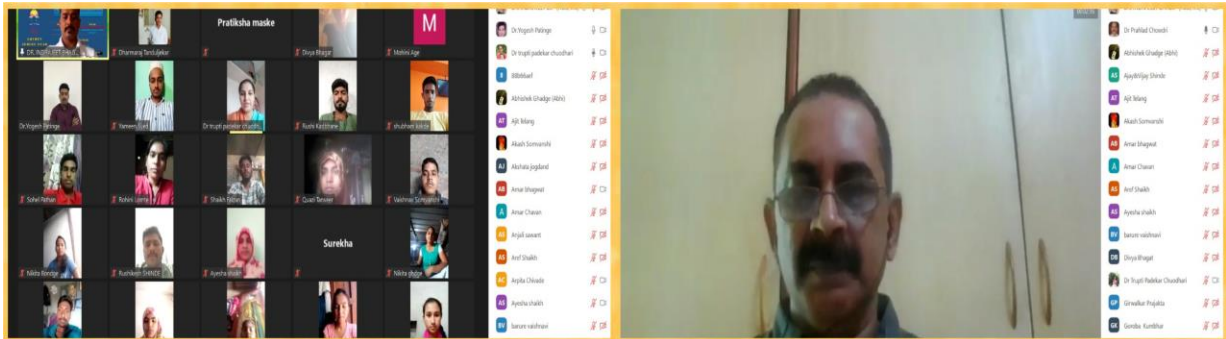

- 1) Insistent use and application of Commerce in science, information technology by insisting on Commerce.
- 2) It is necessary to preserve the old statistical data for past experience to make decisions easy.
- 3) In today's era of Globalization, Commerce knowledge needs to be utilized. Commerce should be advocated in areas such as marketing products, advertising.
