**M.S.P.MANDALS
YESHWANTRAO CHAVAN ARTS, COMMERCE & SCIENCE
COLLEGE, AMBAJOGAI, DIST.-BEED.-431517.**

DEPARTMENT OF ZOOLOGY

Vision :-

To create self – confidence among students through liptodeate curriculum designing to develop and maximize the learning competency. To inculcate the social and moral values that enables the students to become good citizens to develop true research attitude.

Mission :-

To Provide the students with good quality education that integrates science, technologist and society and society and to Perform value based real time research activities and there by leaping to excellence.

• ESTABISHMENT OF THE DEPARTMENT:

Sr. No.	Courses	Year of Establishment
01.	U.G. Courses	June-2009

About the College : - M.S.P. Mandal's. Yeshwantrao Chavan Arts, Commerce and Science College was established in June 1972. The Department of Under Graduate Studies in Zoology was established in 2009 and started catering education to B.Sc first year Zoology students of science through Optional Subject

• **FACULTIES AVAILABLE IN BRIEF :**

Sr No.	Photo	Name of the Faculty	Designation	Education Qualification	Biodata
1.		Mr. Shaikh Asef Rashid	Assistant Professor on Fix Pay	M.Sc., B.Ed.	View Biodata
2.		Mr. Lokhande Navnath Satwa	Assistant Professor on Fix Pay	M.Sc., B.Ed.	View

• **DEPARTMENT OBJECTIVES TO BE IDENTIFIED:**

Our College is run by Marathwada Shikshan Prasarak Mandal, Aurangabad. This institution is one of the oldest and the biggest institution of Marathwada region. The department of Zoology is committed to Institutional Motto, Vision & Mission.

- To support of the students for higher education.
- To provide the quality education for students.
- To acquire good knowledge in Zoology.
- To develop overall personality.
- To create their research attitude.

Department of Zoology is committed with acquire good knowledge and personality development through various student centric activities like Campus interviews, Seminars, Conferences etc.

- **IMPORTANCE AND SCOPE OF ZOOLOGY :-**

Zoology deals with the study of animal kingdom. Branch deals with the structure embryology, evolution, classification & distribution of all animal, both living and extinct. There are several specialization that the students pursuing the field can venture into on choosing this careeo, The person special king in the field will be referred to as a, Zoologist.

This field concerned with the preservation & management of animal kingdom. After Completing their graduate degree in B.Sc Zoology candidates have tremendous opportunities for their higher studies. Various higher studies options after B.Sc Zoology are

- Master of Science in zoology
- Master of Science in applied zoology
- Master of Science in zoology (Honors)
- Master of Philosophy in zoology
- Master of philosophy in life Science
- Doctor of Philosophy in zoology
- Post graduate diploma in life Science
- Master of Business administration
- Post graduate diploma in life Science

- ❖ **Job Positions available for graduates in B.Sc Zoology**

Different job position available for graduates after B.Sc zoology are listed below.

- Animal and wildlife educators' zoo keeper.
- Animal rehabilitator
- Zoo curator.
- Documentary maker
- Researcher

- Animal behaviorists.
- Conservationists.
- Animal Trainers.
- Forensic experts.
- Animal caretakers.
- Wildlife biologists.
- Animal breeders.
- Veterinarian
- Lab technicians.
- Proff. In Zoology.

There are lots of job opportunities for graduates in B.Sc Zoology both in public & private Sections. Following are the employment area for graduates in B.Sc Zoology are.

- Zoo
- Aquariums
- Television channels.
- Veterinary hospitals.
- Animal clinics.
- Colleges & universities
- Research.
- Wildlife Management firms.
- Fisheries & agriculture
- Post control companies.
- Animal case taking providers.
- Museums.
- Botanical Gardens
- Conservation organization
- Nature reserves.

- **AIM OF THE DEPARTMENT**

- To achieve academic excellence in basic and applied aspects of zoology.
- To impart basic and advanced education to students through teaching, learning, research and evaluation.
- To motivate the students to undertake research in basic and applied thrust areas of zoology.
- To inculcate scientific awareness towards protecting diversity and Eco- environmental management of animal resources for sustainable development.
- To inspire the students towards better understanding and use of IT / Computer oriented interface.

- **BEST PRACTICES OF THE DEPARTMENT**

The department provide extra guidance for slow & weak learners, for this the extra lectures are organised by the department for F.Y. B. Sc & S.Y. B. Sc students.

Publication:

- **STRENGTH**

- Dedicated faculty.
- Good infrastructural facilities with well developed equipment.
- Organizing a number of guest lectures and seminars.

- **WEAKNESS**

- Incomplete qualified staff.
- Poor communication skill of the students.
- Low self- confidence.

- **OPPORTUNITIES**

- Involving the students in the UG association activities. To exhibit their hidden histrionic talents.
- Enrichment of knowledge and skills through General Knowledge cell and other clubs of our college.

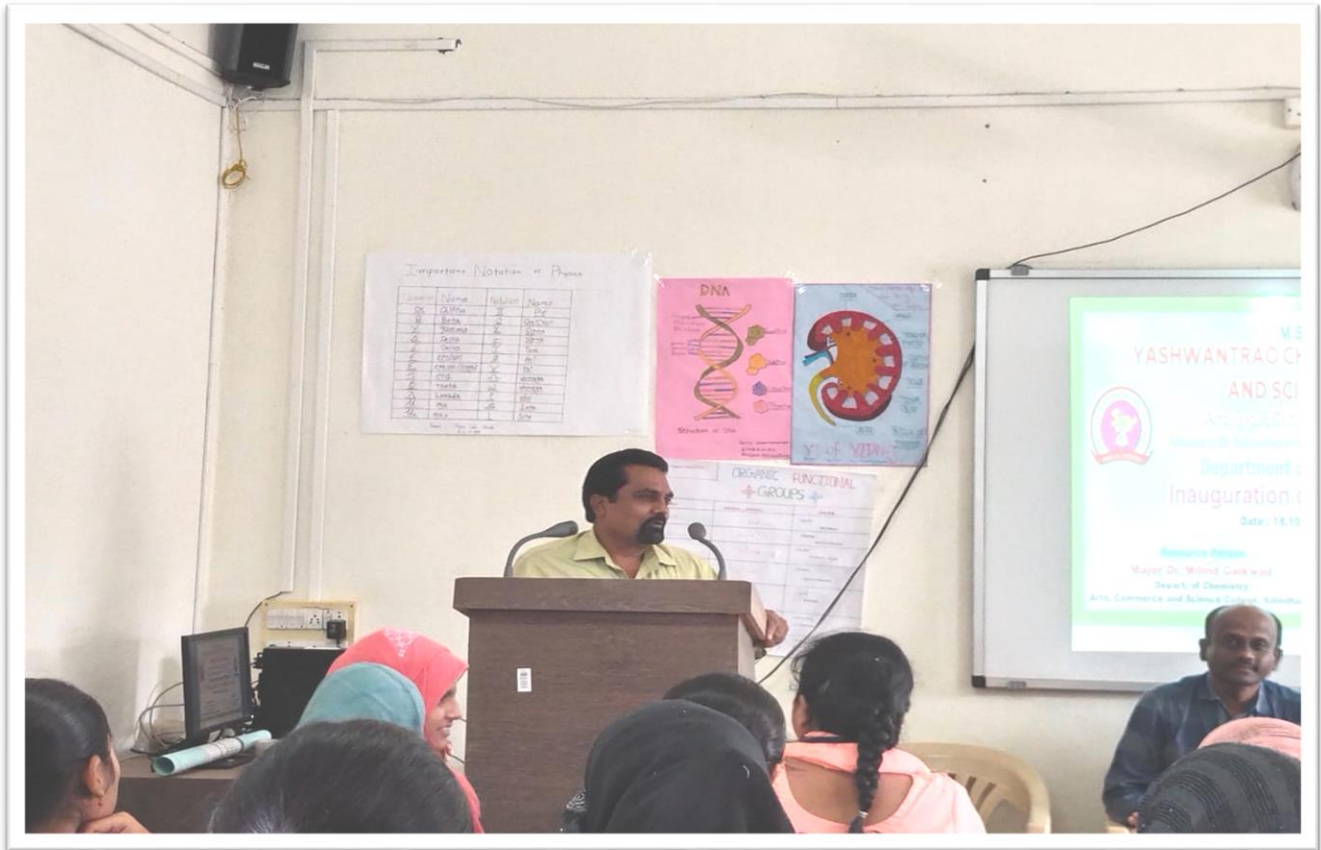

- **CHALLENGES**

- Hailing from rural area
- Poor communication and soft skills

- **FUTURE PLAN OF THE DEPARTMENT:**

1. To make our department fulfill with the following facilities.
2. Qualified faculty, Reading room, well developed research lab and 24 hours internet facility.
3. To start the P.G. Courses for the Rural Students with the help of Institution & University.
4. To start the Research Centre for the Researcher with the help of Institution & University.
5. U.G.C. Major & Minor Research Projects will be prepared by faculties.
6. State & National Level Seminars & Conferences will be organized through the department with the help of U.G.C.
7. To start the Departmental Library with the help of college.
